- Anticipated start date: 4/1/2025

Come join our team of dedicated individuals who believe in the transformative power of quality, child-centered education!

About our school:

Rainbow Montessori K-8 community school is an innovative educational hub that highlights Montessori education to empower students to be self-sufficient, creative learners and leaders. We believe in preparing students for an ever-changing, diverse world through hands-on learning that focuses on community connections.

Rainbow Montessori will be Ohio's first public Montessori charter school, and will pave the way for additional Montessori charter schools. In partnership with Wildflower Schools, Rainbow Montessori is modeled after a micro-Montessori school format that places the child and the family at the center of the educational experience. The small school size and shared collaborative leadership structure ensure that Rainbow Montessori is responsive and relevant to the needs of its students, families and community.

Duties:

As a member of the Rainbow Montessori team, you will:

- Develop curriculum aligned to Montessori principles
- Serve as the lead educational guide and partner for students in the classroom.
- Establish a safe and nurturing classroom environment.
- Plan and facilitate community field trips.
- Oversee the tracking of student progress
- Oversee and manage overall operations of the school.
- Manage and participate in professional development.
- Develop collaborative work plans for teaching assistants.
- Meet with families to develop plans for student learning and share student progress.

- Establish partnerships with families and the surrounding community.

Qualifications:

What we're looking for in a team member:

- Accredited Montessori certification (highly recommended, but will train the right person)
- Education degree (B.A. or M.A.)
- A love and passion for teaching and learning
- A patient and kind personality
- Leadership skills
- At least 3 years of teaching experience
- Experience with Montessori education
- Knowledge of Montessori principles
- A team player who is invested in helping others succeed
