Growing Curiosity's mission is to provide an affordable quality Montessori preschool program with a focus on physical and social development, anti-bias education, and an appreciation for nature.

Our school is located in the Rundberg and N. Lamar area in the Georgian Acres neighborhood, and we have a school population that draws from our neighborhood and the surrounding area. A large percent of children in the neighborhood speak Spanish as their home language, and we have native speakers as director and assistants who include Spanish in their interactions with the children, however Spanish fluency is not required for this position.

We have a wonderful, active parent community, and hold community work days and festivals throughout the year for our community. We have a scholarship program to aid qualifying families with tuition. We are in the process of obtaining a Texas Rising Star rating.

Growing Curiosity is dedicated to an anti-bias curriculum. We have an extensive library of books and other classroom materials representing disability, gender, different types of families, race, and class.

We have a full classroom (24 students) ranging from 2.5-6 years old.

Our operating hours are 8:00 am - 5:00 pm.

School day:

8:00-9:05 outside time

9:05- 9:45 Circle and Morning Snack

9:45-11:45 Continue work cycle inside
