

## Montessori Lead Guide Opportunity at The Montessori School of Silicon Valley

At The Montessori School of Silicon Valley, we believe in creating a nurturing, vibrant community for both our children and staff. With four campuses offering programs from Infant through Kindergarten, we are seeking a passionate and dedicated certified Montessori Guide to join our team. If you're someone who values building meaningful relationships and fostering a love of learning, we would love to hear from you!

### Position: Lead Montessori Teacher/Guide

We are looking for a warm, authentic guide who is excited to lead with compassion and intention. As a Lead Guide, you'll be responsible for cultivating an environment that reflects the Montessori Method, while working closely with your team to create a collaborative and inspiring classroom.

### Responsibilities:

- Lead a classroom based on the Montessori philosophy, ensuring a supportive, thoughtful environment for all children.
- Build strong relationships with families, working together to support each child's unique needs.
- Collaborate with fellow educators in an open, communicative, and positive team environment.
- Foster a sense of independence, self-control, and love of learning in each child.

### Qualifications:

- A Bachelor's degree (completed or in progress).
- Montessori Primary Credential from a MACTE-accredited program.
- At least 1 year of experience in a Montessori classroom with children of Primary age.
- If you're new to leading a classroom but have completed Montessori training (or are ready to pursue it), we encourage you to apply! We are eager to support and mentor the right candidate.

### What We Offer:

- Competitive salary that reflects your expertise and dedication.
- Comprehensive benefits including medical, dental, paid vacation, and holidays.
- A supportive community of educators who are deeply committed to Montessori values and child-centered learning.

### Ideal Candidate:

- A kind, organized, and self-motivated individual who thrives in both independent and collaborative settings.
- Tech-savvy and reliable, with the ability to balance the art of teaching with necessary organizational skills.
- Enthusiastic about engaging with the broader community and upholding the Montessori principles in all that they do.
