

We're opening the doors to a *brand new Montessori preschool* in Rockland County — and we're looking for a passionate, Montessori Certified Early Childhood Teacher to help us create a joyful, purposeful learning environment from the ground up. This is more than a job — it's a chance to become a **founding teacher** and help shape our school's culture, classrooms, and community for years to come.

Growing Minds Montessori is a new preschool opening in Rockland County, NY. We want to expand the opportunities for families to experience a Montessori education in this area. Our mission is to create an authentic Montessori experience in a nurturing, caring environment — instilling a lifelong love of learning by fostering each child's natural curiosity. We believe in individualizing each child's education, thereby enabling each to reach his or her full potential. Our core values of self-motivation and independence, community, grace & courtesy, and respect for the world around us, reflect who we are and serve as a compass for our future.

What you'll do:

- Create a warm, inspiring classroom that encourages exploration, creativity, and independence
- Observe each child closely and design individualized lessons based on their needs and interests
- Build strong relationships with parents to support each child's growth at school and at home
- Maintain a beautiful, organized environment that reflects Montessori values
- Participate in ongoing training and professional development to keep growing in your craft

Why you'll love it here:

- **Founding opportunity** — help shape our school's vision and environment
- Small class sizes and well-resourced classrooms
- Paid time off and employee discounts
- Professional development to help you grow
- Supportive leadership that values teacher autonomy

If this sounds like the job for you, please email us at admin@growingmindsmontessoris.com.
