

Job Posting

Position Description

Little Door Montessori sits at the heart of Erie, Colorado. Known previously as Blue Mountain Montessori, this school has been in Erie for almost 20 years. We are currently looking for a 3 full day a week (part time) Early Childhood co-teacher for the 2026-2027 school year.

Our environment is genuinely collaborative: six staff members, including our director, teach together daily. With four teachers at a time sharing one large, beautiful classroom and 30 children, the work here is dynamic, relational, and deeply intentional. Every member of our team holds a Montessori certification, and we hold ourselves to that standard together.

We are looking for someone who has worked in a Montessori classroom or is actively completing a Montessori credential program. The right person brings a calm, welcoming presence, strong professional judgement, and a sincere love for this age group.

Qualifications (Minimum and Preferred)

Education: Early Childhood Montessori Certification (completed or in progress)

Experience:

Minimum Qualifications

- Currently enrolled in or has completed an AMS, AMI, or MACTE, Montessori credential program (Early Childhood level preferred)
