A MONTESSORI APPROACH TO LEARNING

Primary 3-6 Teacher to start in Fall 2026

The Cornerstone School in Stratham, New Hampshire is seeking an experienced teacher for our Primary Program serving 3-6 year olds for the 2026-27 school year. An AMS, AMI, or IMC credential is required along with relevant teaching experience. Qualified candidates will be dedicated to collaboration, professional development, Montessori philosophy and most of all, children. From their deep and abiding love and respect for children, our faculty work in a collegial setting to be curious observers, reflective practitioners, and knowledgeable of Montessori and educational best practices to work toward Dr. Montessori's vision of educating the human potential. While this cosmic task is a serious undertaking that requires calm confidence, a sense of humor and fun are important characteristics as well. Exceptional communication and interpersonal skills are required.
